

# IMPLEMENTING SAP ACCESS CONTROLS IS GOOD. MAKING IT WORK WITH R/3 IS DGN.™

Committed to delivering Excellence in Execution™, DGN Technologies offers an SAP-certified connector to enable the use of SAP Access Controls 5.x with SAP R/3 versions 3.1 - 4.6.

## SEAMLESS INTEGRATION

### DESIGNED AND DEVELOPED WITH SAP, FOR SAP.

DGN AccessConnect™ is a real-time adapter (RTA) which connects SAP R/3 to the latest versions of:

- SAP GRC Risk Identification and Remediation (Compliance Calibrator)
- SAP GRC Compliant User Provisioning (Access Enforcer)
- SAP GRC Superuser Privilege Management (Fire Fighter)

## RAPID IMPLEMENTATION

### FLAT-FEE, PRE-PACKAGED IMPLEMENTATION SERVICES.

We deliver Excellence in Execution™ by providing a packaged flat-fee installation service:

- DGN FastTrack™ for AccessConnect™ provides on-site installation, configuration and knowledge transfer in as little as ten business days.

## COMPLETE FUNCTIONALITY

### RUN THE LATEST SAP ACCESS CONTROLS SOFTWARE WITHOUT UPGRADING YOUR SAP R/3 SYSTEM.

	SAP GRC Version(s)	DGN Connector for SAP R/3 Version(s)	DGN Extractor for SAP R/3 Version(s)
Compliance Calibrator	5.x	4.0b, 4.5b, 4.6b	3.1i
Access Enforcer	5.x	4.0b, 4.5b, 4.6b	3.1i
Fire Fighter	5.x	4.0b, 4.5b, 4.6b	3.1i

### 100% CERTIFIED BY SAP

DGN AccessConnect™ was co-designed and developed in conjunction with SAP Labs, LLC to provide seamless integration between SAP R/3 and SAP GRC Access Controls 5/x.

### 100% SUPPORT BY DGN

DGN provides comprehensive support packages with each DGN AccessConnect™ installation. Included is standard support provided via the SAP Service Marketplace. Platinum 24 x 7 service packages available direct from DGN.

### INSTANT ROI, REAL RESULTS

With DGN AccessConnect™ your firm can benefit from the comprehensive functionality in SAP GRC Access Controls 5.x without the need to upgrade your SAP R/3 or ERP system.
